Craw

The image features several abstract, solid blue geometric shapes on a white background. A large, wide triangle is positioned in the upper right quadrant. A horizontal line segment is located in the lower left, with a thin blue line extending downwards from its left end. A vertical blue line segment is positioned to the right of the horizontal line. A diagonal blue line segment connects the bottom of the vertical line to the horizontal line. The word "Craw" is written in a blue, sans-serif font, rotated 90 degrees counter-clockwise, and positioned to the left of the horizontal line.

Craw

The image features several abstract, solid blue geometric shapes on a white background. A large, wide triangle is positioned in the upper right quadrant. A horizontal line segment is located in the lower left area, with the word 'Craw' written in blue text above it. Below this line, there are several other blue shapes, including a vertical line, a thin horizontal bar, and a trapezoidal shape, all appearing to be part of a larger, partially visible structure.
