Steps have been taken to ensure that the application and proposed operation will continue to promote the licensing objectives, and in particular we have been in close contact and undertaken pre-application consultation regarding the extension of hours with the Police Licensing Officer, Warren Johns. Their comments have been taken into account in considering and submitting this application.

Stonegate are a well experienced licensed operator and have in place an extensive licensing manual containing policies and procedures across the whole estate, which are adapted at site level to ensure the premises operates to a high standard and promotes the Licensing Objectives. These include policies regarding social responsibility, training, underage sales and challenge policies, incident logs, queuing policy, drugs and dispersal policy, and noise management and the management of outside areas policies as well as procedures to prevent crime and disorder and public nuisance. These robust policies and procedures that already in place will continue to operate if the extended hours are granted.
